

CAMP KIT

With school out during the summer, many kids don't get enough physical activity or continued education—a critical gap the Y and the city of Fox Lake are trying to address. In Camp Kit, children are in a safe environment with a nurturing adult. They will feel welcome, enhance character development and explore new talents and interests to reach their potential. If your child likes to stay busy with a variety of sports, crafts, field trips and other activities, this is the place for them. We want to ensure that kids in our camp program go home with so much excitement for all they've accomplished and enjoyed that they can't wait to come back the next day.

What You Need

Children will need to come to camp with a water bottle, sunscreen already on, tennis shoes and appropriate clothes.

On Wednesdays, children will need to bring a swimsuit and towel.

A mid afternoon snack will be provided.

Campers will meet at the Fireman's Park shelter, located behind the Fox Lake City Hall.

Registration

FREE registration for SAGES and St. John's students, and for residents of Fox Lake.
