

A WORD FROM OUR CAMPAIGN CHAIR

MARK KILLINGSWORTH
WITH FELLOW SPIN
CLASS MEMBERS

"As Chair of the Y's Expanding Possibilities Capital Campaign, I'm thrilled to share why this project means so much to me and our community! Our family has a long history with the Y, and we've witnessed firsthand the incredible impact it has on lives in our community. When our present facility opened in 2007, membership soared to 3,000. Fast forward to 2025, and we've hit an all-time high of over 9,000 members—and we're still growing!

Due to this growth, we're bursting at the seams. To continue serving our community, we need to expand. I'm proud to lead a dedicated team of 15 volunteers who've raised an impressive \$3.5 million for this project. Now, we're working tirelessly to secure the final \$900K to make this vision a reality. Please consider donating to help us expand possibilities for families, kids, and neighbors at the Y. Together, we can build a stronger, healthier community!"
