

# JOIN US AT THE YMCA OF DODGE COUNTY FOR **FREE** FAMILY FUN FRIDAYS!

## Is your not-yet-school-aged child in need of burning some cold weather energy?

Join us for a **FREE** open gym. There will be bounce houses set up, tumbling mats to crawl on, cars to drive, and so much more! What a great opportunity for the children to play while the parents get to connect with each other.

Sign in at the front desk of the YMCA and head to the gym.

Free and open to the community!

This is open to non-members as well as members of the YMCA. Ages birth to 6.

We look forward to some healthy playtime with you!
