Y-KIDS BEFORE AND AFTER SCHOOL

Y-Kids is a program designed to meet the needs of children with working parents. Our program helps children reach their fullest potential, to support and strengthen the family unit, and to provide an environment of safety, support and care.

The Y-Kids program offers daily exercise, structured homework help & tutoring, age-appropriate games, arts & crafts, social interaction and time for rest. After school activities include outdoor play (weather permitting). Nutritious snacks are also available daily. Our qualified staff is trained in CPR/AED & First Aid and child abuse prevention.

YMCAs have been providing safe and consistent childcare for well over 100 years, with the focus on youth development, healthy living and social responsibility.

FREE FAMILY MEMBERSHIP

Don't forget...a family membership at the Y is complimentary for all families enrolled in the monthly full-time option for the entire school year.
